

**Esquire at the Halo At Home Show,  
Manchester, May 2010**

---

Halo recently hosted its May At Home Show at our UK headquarters in Manchester. The Esquire Home Collection had a dedicated space for its UK debut, and many of our UK customers came to view the collection. We also had a number of visitors from France, Austria, Sweden, Norway, Germany and Lebanon come to see the new range - all of whom were very impressed and excited by the collection.

We have now signed up many retailers, and the Esquire Home Collection will soon be available in several stores in the USA, UK and Europe. A list of retailers will be available shortly on the website.
